CMI 2017 **GENOA** ASSEMBLY & SEMINAR

SEPTEMBER 7- 8, 2017

7th September: CMI WORKING MEETINGS

8th September: ASSEMBLY & SEMINAR

COMITÉ MARITIME INTERNATIONAL/ITALIAN MARITIME LAW ASSOCIATION CMI ASSEMBLY AND CMI/AIDIM SEMINARS

May we both, on behalf of our respective venerable associations, extend to delegates and those accompanying them a warm welcome to the splendid port city of Genoa. We hope that the programme and social events which have been put together for you will leave you with fond and lasting memories of Genoa and of the fellowship fostered by both the CMI and the AIDIM.

In your seminar bag (kindly provided with a few added surprises from AIDIM) you will find a printed version of the programme. There may have been a few updates since we went to print, and you might want to check the pdf programme on the event site for the latest. From that pdf programme on the event site you can access documentation relating to any particular session by clicking on the download icon in that session. There is also a Speakers and Panelists page on the site giving you brief details of the line-up of experts who have agreed to participate. We will continue to put documentation onto the event site under the individual Session icons.

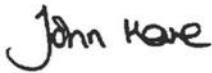

In the bag you will also find a list of delegates. In line with current privacy concerns, we decided not to put up a list of delegates on the event site prior to the event. The delegates list includes details of the Accompanying Persons who have registered and whose attendance has become such a crucial part of the success of CMI events. And the programme includes dress suggestions for the events, and information on social functions and tour options, still available through our PCO, Laura Baldi at l.baldi@studiobc.it

We have provided a map of Genoa with details of places significant to your visit.

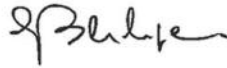

There is a CMI Bureau in the Verdi Room on the 2nd Floor of the Bristol Palace Hotel. Even if you are not staying at the Bristol, please feel free to call in and to ask Evelien Peeters, the CMI administrator from our Antwerp headquarters, for any help you might need. If you need to reserve a space for a breakaway meeting please contact Evelien at the bureau. We have venues available at the Bristol for both Thursday and Friday.

May we thank our generous supporters who are listed on the event website and on banners that will be displayed at the venues.

Most importantly, thank you for making the journey to Genoa. We hope you have a wonderful stay.

JOHN HARE
SECRETARY-GENERAL

GIORGIO BERLINGIERI
PRESIDENT
THE ITALIAN MARITIME LAW ASSOCIATION

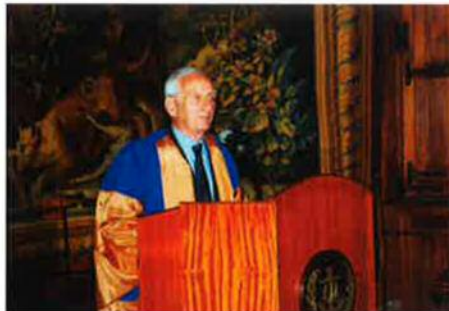

NOTE FROM THE CMI SECRETARY-GENERAL

HOMAGE TO FRANCESCO BERLINGIERI CMI PRESIDENT *Ad HONOREM*

This is the third CMI Assembly to take place in Genoa. The first was in September 1925 and the second in June 1992. The 1925 Assembly was chaired by Prof Francesco Berlingieri Snr, the grandfather of the CMI paterfamilias whom we have come to Genoa to honour now, some 92 years later. 'Our' Francesco Berlingieri, was born three years before the 1925 Assembly. And if you take a look at the attendance register of the 1925 sessions, Prof Avv Giorgio Berlingieri was also present. He was the grandfather of our current Senior Vice-President, also Giorgio.

Francesco has dedicated a lifetime of service to the CMI, and we are honoured and humbled that he will join us for CMI 2017 Genoa.

We have put a copy of the 1925 Yearbook on the CMI event site at www.cmi2017genoa.org
The 1992 Yearbook is on the CMI site.
